

GUERNSEY RUGBY ACADEMY

RISK ASSESSMENT (V2)

Junior Siam 2024

Prepared by: Jon Coyde and Hadrian Wakeham

Dated: 4th April and 8th April 2024 (following site visit and meeting)

Junior Siam in 2024 takes place on Saturday the 20th April 2024 between the Guernsey and Jersey Rugby Academy's.

This risk assessment applies to the Junior Siam event only and does not include the Garenne Stand Facility or MF Facility and there day to day use.

Academy documents i.e. Risk Assessments, Code of Conduct and Equity Policy will be displayed on the Academy's webpage and reviewed on an annual basis by the Committee.

		SEVERITY			
		MINOR	MODERATE	SERIOUS	FATALITY
PROBAILITY	LOW	LOW (1)	MEDIUM (4)	MEDIUM (6)	HIGH (10)
	MEDIUM	LOW (2)	MEDIUM (5)	HIGH (8)	EXTREME (11)
	HIGH	MEDIUM (3)	HIGH (7)	HIGH (9)	EXTREME (12)

SPECIFIC ASSESSMENT SIAM CUP DAY			
HAZARD	EXISTING CONTROL MEASURES IN PLACE	RISK FACTOR	FURTHER CONTROL MEASURES TO REDUCE RISK
<p>Footes Lane – Moving Vehicles Striking someone.</p> <p>Many players and supporters in and around the bus stop – see Photo 2.</p> <p>Coaches bringing and collecting visiting players.</p>	<p>Each age group to send the Head Coach or Team Manager to the Bus stop to receive guests and take them to changing room as detailed in programme as quickly as possible.</p> <p>Once changed show visitors where the pitch is and if a road crossing is required show them the safest crossing point where there is good visibility.</p> <p>Pedestrian crossing point provided from Les Varendes to Garenne Stand.</p>	Medium	<p>Request Guernsey parents do not use the bus stop as a drop off by Social media.</p> <p>Display Signage “Coaches only” at drop off point.</p> <p>Use Les Varendes School car park pedestrian crossing point.</p>
<p>Footes Lane – Moving Vehicles and Traffic Management.</p>	<p>Have a Club marshal available to assist Coach Drivers. Ensure the wearing of Hi Viz vest.</p>	Low	<p>None</p>
<p>Use of MF all weather pitches – Moving vehicles striking someone crossing road or walking down road – Photo 3. Slips and trips.</p> <p>Many players and supporters will be walking from the Garenne Stand to MF all weather pitches – crossing the road and using pavement.</p>	<p>Wide public footpath in place for pedestrians. Footpath in good condition.</p> <p>Event held between 1100 – 1700 so good daylight levels.</p> <p>Prohibition – no access sign provided to the boundary bank at the lower Les Varendes School car park.</p>	High	<p>One way system for Footes Lance implemented by Traffic and Highways running from traffic light junction at Rohais de Bas to Les Baissieres.</p> <p>Suitable road signage by Traffic and Highways</p> <p>‘Chicane’ being put out to further slow traffic</p> <p>Message out to teams and parents to supervise road crossing and/or use zebra crossing</p>
<p>MF car park. Risk of injury to players from carpark movements</p>	<p>Keep all practice away from the car park. Site player marshalling away from car park.</p>	Low	<p>None</p>

First Aid			
First Aid. Risk of injury to players and spectators.	In addition to on site facilities each pitch shall be provided with a first aid kit. A trained first aider should be part of every age group. St Johns Ambulance will be in attendance and situated adjacent to the bus stop.	Medium	Remind visiting teams of First Aid provision and position.
Toilet Facilities			
Inadequate number of toilet facilities for children at the Club Pitch.	One chemical toilet on the Club Pitch. Garenne Stand toilets will be available.	Medium	Provide additional toilet facilities – possibility of the Hockey Club.
Catering (MF – Academy Kitchen)			
Food Hygiene. Risk of food poisoning.	Thoroughly cook bacon and boil hot dogs. Have hand washing facilities available or use catering gloves. Ensure all foods are kept chilled below 5 degs. Do not use utensils on raw meats that are used to handle cooked.	Low	Ensure suppliers are reputable and have adequate chilled storage. Follow food safety training
Training	To help prevent the risks above, ensure that at least 1 member of catering staff has a level 2 hygiene cert. These are available online.	Low	Check processes during day. Follow food safety training
Set up	Important to set up catering so that there is not tripping risks from trailing cables, no risk of accidental contact with hot surfaces by players and supporters. The site should not block emergency access and egress routes.	Low	Check set up at start of day Follow food safety training
Sure Obstacle Course (Club Pitch)			
Slips, trips, and falls Misuse of equipment	Ensure the grass is mowed down and course set up 5 metres away from perimeter fencing. Ensure obstacle course is always supervised by at least one appointed person.	Low	Ensure obstacle course is always supervised by at least one appointed person.
