BACKGROUND COSTS

All league fixtures, whether home or away, attract financial support from the Academy.

Extra costs for home fixtures need to be balanced from parental contribution or other funding initiatives, to be organised by the relevant age group and agreed by the Committee.

Touring sides - £2,400 subsidy (i.e. any UK Sussex league team) PLUS £40.00 per Academy player – covers cost of catering, officials & pitch.

NOTE: If you independently hire the main Footes Lane pitch then the cost of this must be funded by the relevant age group directly – Booking in accordance with the Academy's Facility Hire Agreement with Culture & Leisure

This initiative was instigated to enable parents to see their sons & daughters play a fixture which would otherwise have been played off-island and represents a reasonable saving to the £110.00 they would have otherwise paid.
